## INTRODUCTION

World Wide People Token (WWP) Launched in May 2023, World Wide People Token one of the fastest growing community in crypto more than 5000 people already engaged with community around the world. Baby Doge is on a mission to bring crypto to the below poverty people while also helping and building the community around the world. World Wide People Token is built on binance smart chain with extremely fast 5 second block times and cheaper gas fees than ethereum.

The only mission of our community is multiplying their financial needs in many possible ways like bucket list and much more in the span of just 20 months. Yes it is possible with our community by helping others and doing charity works. one more beautiful thing in our community is they are earning monthly salary by doing work from home job this is the powerful application we have and lots of projects coming in definitely it is going to be a 2023 best Token.

Community Development : 2000000000 WWP

Project Owners and Developers : 1000000000 WWP

## COMMUNITY BUILD AND CHARITY WORK

We welcome friendly discussion in all of our community groups, especially discussion regarding how we can best benefit the world around us and converting each person to a salaried person by sitting in home. By building our community, we are doing some charity works based on keeping separate share in supply is about 2000000000 WWP

## MARKETING STRATEGIES

We don't want any business strategies because we are already on way, no publicity needed to our token community people enough and our charity works enough. The aim is to be the most used crypto currency worldwide to buy anything you needs buy using our WWP Token. In the future aim is also to implement new features to World Wide People token which will create a new ecosystem.
