ABOUT

Big Panda (PANDA) is a Panda theme meme coin designed to offer the benefits that other meme coins don't give to its community. It offers blockchain gaming and entertaining NFTs based on Binance Smart Chain, developing a decentralized community and ecosystem.

The only meme token capable to blow its competition away and walk over.

Big Panda (PANDA) is more than just a token. It a movement driven by new meme in crypto space. This community driven token focuses on making rags into riches transforming past mistakes into future gains.

Big Panda embodies the true spirit of meme resilience and laughter. We're here to prove that laughter can, indeed, make you rich unlike other memes.

Embrace the FOMO and turn your old losses in profits with Big Panda. Let's start the winning spree and never miss a pump again.

GOAL

Big Panda aims to be No.1 community token allowing degens to rely and invest freely. The ultimate goal is to soak up the liquidity from the competitors.

VISION

Our vision is to create a vibrant and captivating blockchain gaming community where players can experience the excitement and thrill of decentralized gaming, while also enjoying the benefits of true ownership and control over their assets.

MISSION

Our mission is to utilize Web3 technology to create entertaining and highly engaging applications that push the boundaries of traditional gaming and the metaverse.

BIG PANDA ECOSYSTEM

UTILITY

Big Panda (PANDA) focuses on its token utility as this is a community project. Strong emphasis on the monetization of the project through NFT, rewards, Play to earn and tokens value enhancement.

NFTs are integrated into the company's gaming platform and players will be able to participate and compete for the prize pool

Exclusive benefits to NFT holders in terms of staking rewards, land acquisitions, discounts on trade taxes.

HOW WILL THE GOVERNANCE WORK?

Token holders will be able to directly participate in governance of the following:

- Tax fees percentages and allocations
- Token distribution and allocation
- Grants and rewards

TOKEN ALLOCATION

REWARDS: 15% of the total tokens will be reserved for an airdrop to holders.

STAKING: 15% of the total tokens will be dedicated to staking, allowing token holders to earn rewards by holding and staking their tokens.

GAMING: 14% of the total tokens will be focused on the gaming industry, which is a key focus for Big Panda. PANDA Tokens will be used to incentivize and engage within the gaming community and drive the growth of the platform.

PUBLIC SALE: 32% of the total tokens will be reserved for sale across different platforms like DEX & CEX.

DEVELOPMENT: 10% of the total tokens will be used to finance the ongoing development and maintenance of the ecosystem, as well as any necessary research and development.

Marketing: 10% of the total tokens will be allocated to marketing efforts to promote the adoption and engagement of the Ecosystem.

Team: 4% of the total tokens will be reserved for the team to align their interests with those of the community and incentivize the continuation of efforts to build and improve upon the platform.

TOKEN DROP

Who doesn't like Airdrops?

Big Panda has introduced airdrop game where users need to participate and earn rewards.

How to participate?

- a. Purchase PANDA tokens worth \$100 - \$500

- b. Purchasing PANDA tokens below \$100 will not get you the chance to enter in prize pool
- c. Purchasing PANDA tokens above \$500 will not give extra benefit in single trade
- d. Trade for \$100 multiple times to increase your chance of winning
- e. Higher the levels of trade, greater the probability of winning.

Token drop will take place every week. Each week airdrop amount will be \$1000 of PANDA tokens

It is an algorithm based open-source airdrop game. The algorithm computers automatically pick the winner so its 100% random and 100% fair to all.

BENEFITS TO LONG TERM HOLDER

a. GAMING & NFTs

Buy and hold PANDA tokens and trade NFTs on Opensea. Play the game to earn tokens and buy NFTs to earn more tokens. Multiple reward system for Holders.

b. MOBILE WALLET

HOW CAN WE MISS AI?

Big Panda brings revolution in crypto space by introducing AI for creating personalized Panda avatars developed by Artificial Intelligence. The custom Big Panda AI generator Dapp will allow users to create their own personalized Panda NFT Passport against specific PANDA tokens staked.

With these personalized avatars, users will see themselves playing the game PANDA HOUSE.

BUY & HODL WITH COMPASSION

Big Panda uses blockchain and Web3 technology to create opportunity for people to earn a fortune and show kindness at the same time.

Make profits and support the environment at the same time which is need of the hour.

On buying PANDA tokens, users will indirectly help in:

- Giving shelter to animals
- Reforestation
- Trying to save the critically endangered species
- Combat the climate change

A new study shows that over 800 endangered species can be saved from extinction now for around \$1 per day per person even if only 5000 people worldwide decides to help.
